NEED \$50,000 FOR JEWISH CHILDREN ORPHANED BY "FLU"

Money Required to Erect New Building for Hebrew Infant Home.

By Sophie Irene Loeb.

Among the important drives now being made is that in the interests of Jewish children who have lost mother or father through the recent influenza epidemic.

The movement is being led by Bernard Reich, whose well known activities are directed toward the welfare of children and who was one of the first to come forward to aid The Evening World "penny lunches fund."

Mr. Reich said to-day: "Our purpose is to raise \$50,000 in order to meet the demands of the Hebrew Kindergarten Day and Night Nursery by securing added quarters against the crowded conditions that now obtain there."

"Hundreds of helpless children whose parents have died during the recent influenza epidemic are crying for a home. In order to provide that home for them we have purchased the property adjoining our present building, which is not only overcrowded, but absolutely inadequate to meet the demands which are being made upon the institution."

"Upon the site of the property we will erect a modern building for the purpose of giving a home to the poor little tots who have been deprived of the loving care of a mother. It will be the infants' home of the Hebrew Kindergarten Day and Night Nursery. These little waifs are now being provided for in the old building, but the children coming to the Kindergarten and Day Nursery need every room for themselves, and, moreover, the applications are so numerous that we must erect—and that immediately—a new home."

"When a child is bereft of the greatest of all blessings—a mother or a proper guardian—it is the duty of every public spirited citizen to aid in the welfare of that child until it can act for itself."

"These Day and Night Nurseries have proved a godsend to hundreds of helpless little ones, not only among the Jewish children but in all the nurseries."

"After all, children are dependent on grown-ups and when they haven't

any one to look after them they are indeed in a pitiful plight unless well-meaning people come forward in their support.

IN THE PUBLIC EYE.
(From the Washington Star.)
"You are spending a great deal of time in front of the camera."
"Yes," replied Senator Sorghum. "It isn't that I think I'm anything special for appearance. But a man with as little to say as I have just now is just as interesting to look at as he is to listen to."

Mr. Mandelbaum stated yesterday that in his opinion this Washington Heights property of the James Gordon Bennett Estate is one of the best buys in this market, either for the small investor or the builder, and any apartments built here could be rented to good tenants before the buildings were finished, and it is an excellent opportunity for development in line with Chairman of the Reconstruction Commission Hon. Abram I. Elks' programme for solution of the renting situation.

If you have a little money you can buy at your own price these 500 lots, each sold separately, located on Broadway, Fort Washington avenue, Bennett avenue, Pinehurst avenue, Northern avenue, Riverside Drive, just north of 181st street, at the Absolute Auction Sale of the James Gordon Bennett Estate, Tuesday, June 10, at 12 noon, in the Exchange Salesroom, 14 Vesey street.
